**** NOTICE OF REVISED NGN STANDARD CONNECTION CHARGES ****

NGN standard charges for new connections and service alterations including miscellaneous charges are being revised with effect from 01 January 2015.

NGN revised its delivery model in 2013, to deliver a more customer centric proposition within its connections business, whilst ensuring it continues to maintain an efficient and economical gas distribution network.

NGN has revised its charges to reflect the current costs it expects to incur in providing connections services consistent with our approved charging methodology.

The changes to the charges are set out in summary below (all charges are ex vat):

Statement of Charges

Standard Domestic Connections:

	Inc. Excavation & Reinstatement	Ex. Excavation & Reinstatement	Zero Horizontal Length
(ex vat)	£583	£343	£242

Standard Service Alterations:

Description	Cost (ex vat)
32mm Domestic service alteration requiring up to and including three metres of external pipe work	£596
Additional per metre charge for any additional external pipe work over three metres	£76
Domestic back to back (reduced scope) meter alteration	£344
Full Reconnect	£106
Partial Reconnect	£57
*Customer to Dig service alteration (up to and including three metres of external pipe work)	£293

* NGN have retained the option for the customer to undertake pre-excavation and backfill of trenches on private land for service alterations. If this option is selected, the cost for a standard alteration will be £293 in line with the methodology. Any deviation from a standard job or if the excavation is not prepared as per the guidance or the excavation is not completed prior to NGN attending site, a further charge may be incurred.
