

Industry update from Ofgem – 5 January 2015

Statutory consultation notice on proposal to modify gas transporter license Standard Special Condition A55 - Data Assurance requirements. The purpose of these modifications are to enable us to require the companies to provide data assurance reports to Ofgem on the annual cycle set out in the Data Assurance Guidance (DAG). The consultation document may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/statutory-consultation-notice-proposal-modify-gas-transporter-license-standard-special-condition-a55-data-assurance-requirements>

Modification of National Grid Gas Transmission's gas transporter licence to add new National Transmission System exit points and decision on the classification of exit points. Our decision letter and modification notice relating to exit points Kintore, Apache, Trafford Power Station and Seal Sands TGPP may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/modification-national-grid-gas-transmission%E2%80%99s-gas-transporter-licence-add-new-national-transmission-system-exit-points-and-decision-classification-exit-points>

Statutory Consultation on Data Assurance Guidance and proposed licence changes for Electricity and Gas Transmission Companies and for Gas Distribution Companies. This consultation seeks views on proposed new data assurance requirements. The consultation document and subsidiary documents may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/statutory-consultation-data-assurance-guidance-and-proposed-licence-changes-electricity-and-gas-transmission-companies-and-gas-distribution-companies>

Statutory consultation on proposed licence modifications to facilitate the implementation of the Capacity Allocation Mechanisms Network Code in Great Britain. The consultation letter and Section 23 notice seeking views on our proposals to modify NGGT's gas transporter licence to facilitate the implementation of the Capacity Allocation Mechanisms Network Code in Great Britain may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/statutory-consultation-proposed-licence-modifications-facilitate-implementation-capacity-allocation-mechanisms-network-code-great-britain>

Gas Transmission Charging Review: our policy position on future charging arrangements (GTCR). The letter marking the beginning of the three-month consultation on our policy position on future gas transmission charging arrangements may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/gas-transmission-charging-review-our-policy-position-future-charging-arrangements>

Transmission Stakeholder Engagement scheme results 2013-14. The Stakeholder Engagement Incentive scheme drives network companies to engage

effectively with stakeholders to inform how they plan and run their businesses. The results for the 2013-14 Stakeholder Engagement Incentive scheme including the submission of NGGT may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/transmission-stakeholder-engagement-scheme-results-2013-14>

Decision on licence changes to implement Planning and Advanced Reservation of Capacity Agreements (PARCAs). The decision letter, modification notice and licence text making changes to the special conditions of NGGT's gas transporter licence to allow the introduction of PARCAs, may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/decision-licence-changes-implement-planning-and-advanced-reservation-capacity-agreements>

Decision on UNC452V and UNC465V Introduction of PARCAs. The decision letter explaining why we made the decision to approve the implementation of UNC 465V and reject the implementation of UNC 452V may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/decision-unc452v-and-unc465v-introduction-planning-and-advanced-reservation-capacity-agreements-parcas>
