Response to UNC Modification Proposal 0029 Metering Arrangements at Special Metering Supply Points

Dear Tim

E.ON UK supports the implementation of this proposal on the basis that it provides for continuing provisions for unique sites, and consequently enables shippers to continue to enter into contracts for the use of Transco owned meters installed at those sites.

We look forward to the timely implementation of the proposal.

Yours sincerely

Christiane Sykes Trading Arrangements Energy Wholesale 02476 424 737
