Mr J. Majdanski
Secretary, Modification Panel
Joint Office

6 October 2005

Dear Julian

Re: UNC Modification Proposal 0049 - "Optional limits for inert gases at System Entry Points"

Thank you for the opportunity to comment on this Modification Proposal.

Transco NTS supports implementation of this Proposal. We have no further comments at this stage on this Proposal beyond those that we made in the supplementary note dated 4th October 2005 entitled "Re: UNC Modification Proposal 0049 - "Optional limits for inert gases at System Entry Points"" and within the Proposal itself.

Yours sincerely,

Paul Roberts
