Abstract

I wish to withdraw modification proposal 058 as it appears that the CSEP Ancillary Agreements are already included within the governance arrangements.

I would also request that the Joint Office include a copy of the Agreement on their website (if not already there) as this was one of the other requirements of this modification proposal. Paul Roberts had advised me that this is to be included on the JO website as part of collection of the various ancillary agreements. I should be grateful if you would confirm this.

Thank you

Christiane Sykes.
