Dear Julian

**Modification Proposal 0064:**

Thank you for providing Scottish and Southern Energy plc (SSE) with the opportunity to comment on the above modification proposal.

SSE is not supportive of the proposal.

The proposed changes to the governance arrangements to extend the established Network Code arrangements to include the CSEP Ancillary Agreement is not appropriate as the document is a contractual agreement.

It seems to be neither suitable or necessary that (as indicated in the bullet point at the top of pg 2 of the Draft Modification Report) Transporters or Users could propose revisions to the CSEP Ancillary Agreement in the way envisaged by 0064.

Yours sincerely

Garth Graham
