Dear Julian,

**Modification Proposal 0064 - "Extending established Uniform Network Code governance arrangements to include the CSEP Ancillary Agreement document referenced in Section J5.9" – opportunity for reconsultation**

Total Gas & Power Limited continues to support the above modification proposal.

We would like to take the opportunity to confirm our understanding that the modification proposal relates only to the generic pro forma agreement(s) and not to existing individual bi-lateral agreements already in place.

Yours sincerely,
