Dear Julian

**Modification Proposal 0087**

Thank you for providing Scottish and Southern Energy plc (SSE) with the opportunity to comment on the above modification proposal.

SSE is supportive of the proposal.

SSE agree that paragraphs 1.9.10, 1.9.11 & 1.9.12 of section G and 5.1.1(d) of section B should be removed from the UNC. This will prevent dual governance of supply point information services already included within the Supply Point Administration Agreement and should be more efficient.

Yours sincerely
