

16/03/2007

Dear Colleague,

**NOTICE OF IMPLEMENTATION  
MODIFICATION PROPOSAL No: 0090**

"Revised DN Interruption Arrangements"

Please note that Modification Proposal No 0090 will be implemented with effect from 06:00 hours on 01 April 2008. The Final Modification Report, Version 4.0, was signed by Ofgem on 15/03/2007.

**Modified Text:**

The new Code text resulting from this Modification Proposal is provided in two separate attachments to the email accompanying this Notice of Future Implementation. This text is unchanged from that submitted with the Final Modification Report

These attachments are also available for download from the website of the Joint Office of Gas Transporters:
