Mr. Julian Majdanski  
Joint Office of Gas Transporters  
Ground Floor Red  
51 Homer Road  
Solihull  
West Midlands  
B91 3QJ

11<sup>th</sup> September 2006

Dear Julian,

**Modification Proposal 0101 - "Amendment to Demand Forecasting times in relation to the Gas Balancing Alert"**

Total Gas & Power Limited supports the above modification proposal. We consider that aligning UNC obligations to current operational practices would increase the opportunity to notify the market of a Gas Balancing Alert. This in turn, we agree, may facilitate a more timely demand side response and the efficient and economic operation of the system.

Yours sincerely,
