

## **DEVELOPMENT WORK GROUP - REVISED TERMS OF REFERENCE**

**Proposal Ref : 0102**

### **PROPOSAL: EXTENSION OF PHASE 2 UNTIL 1ST SEPTEMBER 1997**

#### **Composition**

Graham Ryott	TransCo (Chairman)
Nigel Sisman	TransCo
David Aron	Bell Gas
Peter Lambert	Ofgas
Dave Forster	PanEnergy
Graham Jack	BGT
Mark Dalton	British Fuel
Steve Sanderson	The Gas Coke and Light Company
Martin Stanway-Mayers	BP Gas Marketing

#### **Scope of Development Group**

The Group will need to determine the impact on the community of an extension of Phase 2 of the Network Code to 1st September 1997. In particular the Group will need to consider the impact of a continuation of the absolute tolerance regime on shipper operations under the Network Code whilst recognising the potential exposure of NDM shippers to inappropriate balancing charges caused by inaccurate DM forecasts.

#### **Area of Network Code**

Transition Document Part II

## **Timetable**

If this modification is to be implemented for 1st March 1997, the Development Group will need to produce recommendation for the January meeting of the Modification Panel.

Therefore the following timetable will be employed:

Draft Terms of Reference to Panel Members	17/12/96
Proposal to Shippers/Non Network Code Parties	17/12/96
Representations Received by	31/12/96
Development Work Group Meeting	08/01/97
Development Work Group Report to Panel Members	13/01/97
Panel Discuss Development Work Group Report	16/01/97
Draft Modification Report to Shippers/Non Network Code Parties	22/01/97
Representations Received by	05/02/97
Draft Report and Representations to Panel Members	06/02/97
Panel Consider Report/Representations	20/02/97
TransCo finalise Modification Report and send to Ofgas	24/02/97
Direction Expected from Ofgas	28/02/97
