Dear Colleague,

26 February 1997

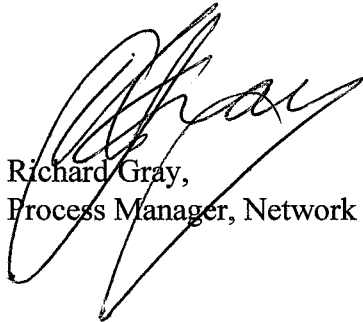

CORRECTION TO NOTICE OF IMPLEMENTATION
MODIFICATION 116

The Notice of Implementation for the above Modification issued yesterday does not make it clear that although the revised text will be implemented on 1st March 1997 it will take effect from 1st February 1997. This distinction is plain in the Modification Report which will be circulated by post shortly.

In addition, Ofgas requested that the attached letter be circulated with the Notice and this was omitted from yesterdays fax.

Apologies for any inconvenience caused.

Yours sincerely,

Richard Gray,
Process Manager, Network Code.
