

Withdrawal Notification For: 0155
"User Suppressed Reconciliation Values' revised incentive arrangements"
Version 1.0

Date of Communication: 10 July 2007

Abstract

At the last Mod Panel, it was voted that 0155 - (BGT's second USRV related proposal) should proceed to development at Distribution Workstream, which was our preference.

Following discussions, however, it has been suggested that the scope might actually be broad enough to warrant a fuller review. With this in mind, we would like to formally withdraw our proposal 0155.
