

Variation Request

Modification 0201V: “Small value invoice payment deferral”

Date: 19/08/2008

The Proposer, British Gas Trading, requests a variation to this Proposal, pursuant to UNC Modification Rules Section 6.5.1(c) of the UNC.

Reason for Variation

This variation is being made in order to address apparent ongoing uncertainty about which invoices are within scope of this proposal, which are not within scope, and to aid further understanding.

Nature of Variation

BGT has not sought to change the original intention or purpose of this proposal, simply to clarify the meaning behind it.

The implementation date has also been changed to 1/11/2008 to reflect the passage of time since the original proposal was released.
