

## **WITHDRAWAL NOTICE: 0571**

"Title to Gas in LNG facilities"

Version 1.0

**Date of Communication:** 17/07/2003

**External Contact:**

**Slant:**

**Strictly Confidential:** No

### **Abstract**

This modification is effectively "timed out", being in development for 12 months.

We do not propose to seek a further extension for development of this proposal from the Authority.

Should circumstances determine that there remain issues around the subject of title to gas, we may consider raising the matter at a later date with more specific proposals.
