Dear Colleague,

CO84: Responsibilities following the Appointment of a Supplier of Last Resort.

Modification Proposal 0580 was raised by Transco on 28 August 2002 and approved by Ofgem on 28 January 2003.

Since that time it has been noticed that there was an incorrect reference in the Final Modification Report, Implementation Notice and subsequently the Network Code itself.

This Consent to Modify seeks to amend the reference contained in Section V 3.2.4 from 3.2.7 to 3.2.6.

Ofgem has considered Transco's request in accordance with condition 9 (7) (b) of Transco's Gas Transporter Licence, and consents to this modification of the Network Code. If you require any further information on this matter please feel free to contact me on the above number.

Yours sincerely
