

**Withdrawal Notification For: 0164**  
Bi-Directional Connection Point Overrun Charge Calculation  
Version 1.0

**Date of Communication:** 14 September 2007

**Abstract**

Dear Joint Office,

Please withdraw UNC Modification Proposal 0164. NGG have identified an issue whereby the modification cannot be applied at entry zones which have multiple entry points. We have an alternative in development and will submit in due course.
