

Dear Colleague,

**2014 Annual Interruption Tender Process – Northern Gas Networks Published Results**

Northern Gas Networks decided not to accept any bids received during the 2014 Annual Interruption Tender Process. Consequently, a DN Interruptible Summary Report will not be published by Northern Gas Networks on this occasion.

In accordance with Unified Network Code, Transportation Principle Document Section G (Supplies) Paragraph 6.4.3, the publication of the Summary Report by location (SRL file) is dependent on the award of contracts for at least three (3) Users in a location. This is to ensure a level of anonymity. As no contracts were awarded, the minimum requirement for publication was not met.

Northern Gas Networks will continue to invite tenders in future years.
