

Shared Site Drawings

nationalgrid

Key Points Discussed

01 The Process

02 SLA's

03 Shared Drawing Scope

04 Demarcation

05 Sustainability & Review Meetings

06 Contacts & Communication

07 Escalations

08 Formalisation and Sign off

Next Steps.....

- Targeting another 2 sessions (bi-monthly) to finalise the process and associated principles.
- Business rules and a proposal to be written up as an output of those sessions to capture decisions made.
- Decision required from this group as to how that process will be formalised in the context of OAD
