The **Gas Connections Portal** that was delivered by Project CLoCC went live on 28th January 2019 and is in use.

It is for **NTS** connection customers.

You can register to use the portal via our Website

https://www.nationalgridgas.c om/connections/applyingconnection

Under "How to Apply".

National Grid

Gas Connections Portal is Live

The portal can be used to...

- Obtain a Cost Estimate
- Obtain a Capacity Indicator (likelihood of reserving capacity via a PARCA)
- Submit a Connection, Modification or Disconnection Application
- Submit a PARCA application (to reserve capacity)
- Track your journey
