# ENTSOG 2050 Roadmap for Gas Grids Workshops

ENTSOG published its 2050 Roadmap document in December 2019

<https://entsog.eu/sites/default/files/2019-12/ENTSOG%20Roadmap%202050%20for%20Gas%20Grids.pdf>

Stakeholder workshops are now scheduled in Brussels to debate how best to combine a well-functioning, liquid EU gas market and maintain security of gas supply with the commitment to decarbonise

- **10 March** - Workshop 1: EU Gas Market for New Gases
- **17 March** - Workshop 2: Innovative Regulatory Approach for the Energy Transition - Sector Coupling & Regulatory Sandbox
- **26 March** - Workshop 3: Principles for EU Gas Qualities, handling of Hydrogen and CO<sub>2</sub> Transportation
