

**Report for Network Code Committee**  
**March 2006**  
**Offtake Committee**

**Meetings Held**

28<sup>th</sup> February 2006

**Planned**

3<sup>rd</sup> May 2006.

**Matters for Network Code Committee's Attention**

None

**Change/Modifications Activity**

The need for updating of the Offtake Subsidiary Documents was discussed including reflecting current Transporter names, consistency of format, version control and publication on the Joint Office Website. The Transporters agreed to provide copies of the current documents to the Joint Office in editable format to assist this process.

**Topics Activity**

None
