

Review Group 0280 Action Update RG0280014 – provided by E.ON UK

In terms of the action from the Mod 280 review group on electricity industry equivalents.

Extract from the Profile Expert Group TOR:

PEG members will contribute as industry experts and will not represent the interests of their employers. An ability to maintain such independence is essential.

It is expected that the chairman would ensure compliance with the obligations but any member of the group is expected to have signed up to the TOR before joining.
