

UNC Distribution Workstream 26 July 2007

Communication: Email received from Scotia Gas Networks (SGN)

Date: 27 July 2007

Response to Action Dis0402c

Abstract:

"Good afternoon,

Further to yesterday's Distribution Workstream as requested please find below SGN initial views on legal opinion.

- For every company registered out with the EU a legal opinion shall need to be provided;
- For every company registered within the EU a legal opinion shall be provided if required by the transporter - therefore on a case by case basis; and
- For every company registered within the UK shall be automatically exempt from any legal opinion requirement.
