

Review of UNC Emergency Arrangements

Workshop 2

10:00am Wednesday 22 April 2009

Energy Networks Association (ENA)
6th Floor, Dean Bradley House, 52 Horseferry Road, London SW1P 2AF

<http://2008.energynetworks.org/office-location-map/>

9:30am Tea, coffee, biscuits

AGENDA/items to discuss

1. Introduction

- 1.1 Review of minutes from previous meeting (16 March 2009)
- 1.2 Review of actions

2. Extension of review to Storage Monitor Breach and Critical Transportation Constraints

3. Considerations for drafting of modification proposal:

- Detailed claims validation process – within main UNC or UNC ancillary document?
- Assumption: basis for assessment of emergency claims - mechanistic validation rules and cost recovery is based on *market* value
- Agree on scope for supporting analysis

4. Discussion – detailed business rules

5. Next Steps diary/planning

6. AOB
