

PROPOSAL 0298

V 3.2.11

revised legal text

Notwithstanding paragraph 3.2.10, where at any time as a direct consequence of an unanticipated increase in a Users registered aggregate **Supply Point Capacity**, a User's Value at Risk increases materially, a User will have one calendar month from the date of notice given by the relevant Transporter, to provide additional surety or security and after the expiry of such date, or paragraphs 3.2.10(a) and (b) shall apply.
