

UNC Text Allocation Register

This register identifies the text provider, in column G, for each modification. Column F 'Rotation' shows who is next using the numerical order in the Transporter list at the top of this sheet.

Transporter raised modifications are not subject to this rota and are shown 'n/a.', as are certain other modifications not requiring text (eg Fast Track mods with shipper-supplied text).

Columns I-K track the delivery of the text.

Rotation	Transporter
1	Scotia Gas Networks
2	National Grid Distribution
3	Northern Gas Networks
4	National Grid Distribution
5	Scotia Gas Networks
6	National Grid Distribution
7	Wales & West Utilities
8	National Grid Distribution

WWU not to be allocated further text for next full rotation after 0544
