1 November 2007, by teleconference

2 November 2007, by teleconference

6 November 2007, by teleconference

Planned

16 November 2007, by teleconference

Matters for Committee's Attention

Several emergency meetings have been held to discuss Gemini system issues following the Oracle software upgrade on 21 October 2007, resulting in external Gemini services being withdrawn from 22 October 2007 and the subsequent impact on Entry and Exit Scheduling Charges.
