0098 "Modification to Codify Emergency Curtailment Quantity (ECQ) Methodology"

*Implemented 24/11/06*

### **Topics Activity**

#### **The following Topic was reviewed and closed:**

004GOV **Panel processes and timings**

The Joint Office advised the Workstream that it had produced a presentation on the impact of Modification Proposal 0084 which it agreed to place on the website.

A working test of materiality was agreed in the context of variation requests. This was that a change could be regarded as material if making that change might be expected to alter representations made.
