

Industry update from Ofgem – 31 March 2015

Infographic: The energy network. Facts and figures on the energy network, how we're supporting innovation and regulating spend and smart meters may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/infographic-energy-security>

Modification in relation to RIIO-T1 Gas Transmission Price Control - Regulatory Instructions and Guidance (RIGs): Version 2.1. The document providing instructions and guidance to the gas transmission owner - National Grid Gas plc (in respect of its transmission business) - to enable it to complete the reporting requirements associated with the transmission price control from 1 April 2013 to 31 March 2021 and the notice relating to this may be found at the following locations on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/modification-relation-riio-t1-gas-transmission-price-control-regulatory-instructions-and-guidance-version-2-1> <https://www.ofgem.gov.uk/publications-and-updates/notice-modification-relation-riio-t1-gas-transmission-price-control-regulatory-instructions-and-guidance-version-2-1>

RIIO-T1 Annual Report 2013-14. Our first RIIO-T1 transmission price control report, reviewing the progress the three onshore monopoly electricity transmission owners (TO) and one gas TO in Great Britain and also the electricity and gas System Operators have made in the first year 2014, and their forecast for the remainder of the eight year period until 2021, may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/riio-t1-annual-report-2013-14>

REMIT Registration User Guide. A comprehensive guidance document explaining how to use the REMIT registration online system may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/remit-registration-user-guide>

Code modification/modification proposals with Ofgem for decision - indicative timetable. A table giving the indicative decision dates, and names of Ofgem experts, for code modification/amendment proposals that are with Ofgem for decision may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/code-modificationmodification-proposals-ofgem-decision-indicative-timetable>

Assessing the energy efficiency potentials of GB energy infrastructure. Our consultation on a draft report which assesses the energy efficiency potentials of the gas and electricity infrastructure in Great Britain may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/assessing-energy-efficiency-potentials-gb-energy-infrastructure>

Blank Gas Network Innovation Competition Initial Screening Process

Proforma. The deadline for submissions to the Initial Screening Process of the 2015 Gas NIC is 7 April 2015. The proforma to be used by licensees wishing to make bids may be found at the following location on the Ofgem website:

<https://www.ofgem.gov.uk/publications-and-updates/blank-gas-network-innovation-competition-initial-screening-process-proforma-0>

Infographic: Energy security. Facts and figures on Britain's energy use and supply may be found at the following location on the Ofgem website:

<https://www.ofgem.gov.uk/publications-and-updates/infographic-energy-security>

Interconnector (UK) Limited - Notice of opening of a review of certification under section 8(K) of the Gas Act 1986. Our notice that we have opened a review of Interconnector (UK) Limited's ownership unbundling certification may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/interconnector-uk-limited-notice-opening-review-certification-under-section-8k-gas-act-1986>

Proposed modifications to National Grid Gas plc's Licence to terminate Permit Arrangements and adjust the revenue earned for the period 1 April 2013 – 31 March 2015. Our statutory consultation and Notice outlining the changes we consider necessary to National Grid Gas Transmission's gas transporter licence may be found at the following location on the Ofgem website:

<https://www.ofgem.gov.uk/publications-and-updates/proposed-modifications-national-grid-gas-plc%E2%80%99s-licence-terminate-permit-arrangements-and-adjust-revenue-earned-period-1-april-2013-%E2%80%93-31-march-2015>
