1.0 Workgroup Discussion

There was a brief discussion and it was confirmed that suggested text had been included and SL pointed out that it might be a good idea to check that this did not require the party to put something into the ACS for no reason.

There were no further comments on the Workgroup Report.

This will be submitted to the September Panel.

2.0 Any Other Business

None raised.

3.0 Diary Planning for Workgroup

No further meetings required.
