**1.0 Outline of Modification and initial discussion**

RCH introduced the modification, which he believed would implement the original intent of Modification 0279.

**2.0 Discussion**

RCH identified where the legal text for 0279 had created an annual only service, which he did not believe was the intention. AM indicated that he thought the intention was to support the AQ Review process and hence this should only be an annual process. TD indicated that the proposer of 0279 had confirmed to the Modification Panel that the intention had been to create flexibility rather than an annual only process.

RCH will aim to provide legal text such that a Workgroup Report can be concluded at the next meeting.

**3.0 Consider Terms of Reference**

The Workgroup raised no issues regarding the Terms of Reference.

**4.0 Any Other Business**

None raised.

**5.0 Diary Planning for Review Group**
