

Modification 451

- Suggested business rule 4.6, in line with Network Code Modification 693, “Revision of the NDM ‘More Frequent Reading’ Provisions” –
- Readings will be accepted providing;
 - they do not breach the allowed reading submission frequency in business rule 4.1, i.e. not more frequently than 63 days, and;
 - readings are received by Xoserve no more than 10 business days after the meter reading date (except ‘Point of Sale’ Readings).
