

Industry update from Ofgem – Up to date as of 3rd May 2016

Informal consultation on changes to Standard Special Condition A15 (Agency) of the Gas

Transporters Licence. On 28th April 2016, Ofgem published an informal consultation on proposed licence changes that are believed to be required in order to implement the options developed by Ofgem in consultation with industry as a result of our review of Xoserve's finance, governance and ownership (FGO) arrangements. Responses are encouraged, and any specific questions should be directed to Rupika Madhura. The documents may be found at the following locations on the Ofgem website:

Decision on changes to Interconnector UK-National Grid interconnection agreement. IUK submitted to us proposed changes to their interconnection agreement with National Grid. These changes were to ensure compliance with the Interoperability and Data Exchange network code and to make some further housekeeping changes. We decided to approve these changes on 20 April 2016. A copy of the decision letter will be published on our website. [link to follow]
