

## Industry update from Ofgem – 2 June 2015

**Code modification/modification proposals with Ofgem for decision - indicative timetable.** A table giving the indicative decision dates, and names of Ofgem experts, for code modification/amendment proposals that are with Ofgem for decision may be found at the following location on the Ofgem website:

<https://www.ofgem.gov.uk/publications-and-updates/code-modificationmodification-proposals-ofgem-decision-indicative-timetable>

**Impact assessment of UNC modifications 0501V, 0501AV, 0501BV and 0501CV ‘Treatment of Existing Entry Capacity Rights at the Bacton ASEP to comply with EU Capacity Regulations’.** These modifications propose how existing capacity holdings at the Bacton entry point will be treated after implementation of the Capacity Allocation Mechanisms network code on 1 November 2015. We are inviting stakeholders to comment on our impact assessment which may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/impact-assessment-unc-modifications-0501v-0501av-0501bv-and-0501cv-treatment-existing-entry-capacity-rights-bacton-asep-comply-eu-capacity-regulations>

**Decision to direct National Grid Gas (NGG) to proceed with trialling a gas demand-side response (DSR) mechanism.** Our decision to direct NGG to proceed with trialling a gas DSR mechanism, may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/decision-direct-national-grid-gas-ngg-proceed-trialling-gas-demand-side-response-dsr-mechanism>

**Open Letter on Further Review of Industry Code Governance.** Our consultation letter seeking your views, by 26 June 2015, on such issues as Significant Code Reviews, code administration, self-governance and charging methodology governance, may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/open-letter-further-review-industry-code-governance>

**Modification in relation to RIIO-T1 Gas Transmission Price Control - Regulatory Instructions and Guidance: Version 2.2.** Our decision and the modified gas transmission price control cost, outputs, financial and revenue guidance for the period 1 April 2014 until 31 March 2021 and templates for the 2014-15 reporting year, may be found at the following locations on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/decision-modification-relation-riio-t1-gas-transmission-price-control-regulatory-instructions-and-guidance-version-2-2> and <https://www.ofgem.gov.uk/publications-and-updates/riio-t1-gas-transmission-price-control-regulatory-instructions-and-guidance-version-2-2>

**Uniform Network Code (UNC521): Revision of User Admission Criteria to include Transporter verification of its ability to transact with the Applicant User.** Our decision to reject the modification proposal UNC521 may be found at the following location on the Ofgem website: <https://www.ofgem.gov.uk/publications-and-updates/decision-reject-modification-proposal-unc521>
