Dear John,

Modification Proposal 0295

Thank you for providing SSE, with the opportunity to comment on the above Modification Proposal.

SSE is supportive of proposal 0295.

This proposal will give Shipper Users certainty that when a valid daily capacity bid is submitted within-day, the bid must result in either;

- i. Allocation of Daily NTS Entry Capacity; or
- ii. No allocation of Daily NTS Entry Capacity

The proposal encourages timely acceptance by National Grid NTS of bids where an allocation has been made and timely re-consideration of bids made previously, whether they remain unchanged from the initial bid, or have since been amended.

SSE agrees with the Proposer that implementation of the proposed Modification would better facilitate the relevant objectives as detailed in the Modification Proposal's point 3.

Please do not hesitate to give me a call if you wish to discuss this further.

Yours sincerely

Jeff Chandler
