Modification Proposal 0295: Allocation of Daily NTS Entry Capacity Within-Day

Dear Bob,

We welcome the opportunity to comment on this modification proposal. This response is provided on behalf of RWE npower and RWE Supply and Trading GmbH. We support implementation of Modification Proposal 0295.

We agree with the Proposer that implementation would better facilitate the relevant objectives as set out in the Modification Proposal and in particular, by improving the efficient release of capacity within-day, will promote competition between shippers.

We hope these views are helpful and would be happy to discuss matters further.

Yours sincerely
