## Enduring Annual Applications Post Allocation Information Notification

Dear Colleague

In accordance with the UNC Section B and the ExCR, allocations of Enduring Annual NTS Exit (Flat) Capacity (EAFLEC) increase and decrease capacity applications are now complete and are available to view within the Gemini Exit system. These can be found in the following location:

**Home > Deal > Capture > Request Information > Application Request Information Report**

Application requests with a status of "REJ" have not been allocated as per the reason specified in the Gemini Exit System.

If you have any questions regarding the above, please contact the Capacity Auctions team on +44(0)1926 654057 or email [capacityauctions@nationalgrid.com](mailto:capacityauctions@nationalgrid.com).

Yours faithfully,
