**Quarterly System Entry Capacity (QSEC)**  
**Auction Notification**

Dear Colleague,

With respect to the Annual Invitation to participate in the QSEC auction issued on Monday 17<sup>th</sup> August 2009 we have identified a minor data error regarding the incremental capacity available at the Caythorpe (CT) ASEP shown on page 18 (Appendix 2 Incremental Capacity and Prices).

Appendix A of this letter shows the corrected information (shown in bold). The invitation letter has been updated on the National Grid website at [www.nationalgrid.com/uk/Gas/Data](http://www.nationalgrid.com/uk/Gas/Data)

We apologise for any inconvenience caused and if you have any queries with regards to entry capacity, the auction mechanism, Gemini or information provisions then please do not hesitate to contact either Diana Dai or myself on +44 (0) 1926 654057.

Yours sincerely,
