

## **Review Group 0131 July Monthly Report to Panel**

### **Meetings Held**

11 July 2007, 31 Homer Road, Solihull.

### **Planned**

22 August 2007

### **Matters for Panel's Attention**

The Review Group wish to hold another meeting and therefore request an extension to September's Panel meeting.

### **Topics Discussed**

The areas discussed, but still to be finalised and agreed by the group are:-

Where governance of the Meter Error Notification process should reside and how to ensure that the process is not susceptible to gaming due to the interaction with any of the Modification Proposals to Limit Retrospective Invoicing that may be implemented.
