

## **Review Group 0140**

### **June Monthly Report to Panel**

#### **Meeting Held**

18 May 2007, Elexon

#### **Planned**

19 June 2007, Elexon.

#### **Matters for Panel's Attention**

The Review Group has agreed revised Terms of Reference

#### **Topics Discussed**

The Proposer outlined the intent of the Review Proposal and set four main aims for the Review. These were agreed.

Using a spreadsheet provided by the Proposer, the Review Group commenced discussion on the demand data currently held on the National Grid website. This discussion included presentational aspects of this data.

Draft Terms of Reference were submitted and minor amendments agreed.

The Joint Office and the Proposer agreed to devise a programme of work for the Review Group,

A presentation of the Review Group's Terms of Reference and first meeting was given to Ofgem's Demand Side Working Group.
