

**Work Programme**  
**UNC Modification Reference Number 0178**  
**Reclassification of SSP to Domestic only**

**1 Delivery Timescale**

The UNC Modification Panel, at its meeting on 18 October 2007, meeting agreed that this Proposal should go to Review. No variation was sought to the standard six months time-scale so a reporting date of 9 April 2008 is indicated in order that the Modification Panel members have five Business Days to consider the report. The Review Group agreed to schedule meetings monthly in order to produce the target deliverables. These are the Review Group Report and a fully drafted Modification Proposal that enjoys consensus support of the group.
