Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We have reviewed the Nexus BRD changes and compared in great detail against Modification 610 and the legal text which we believe are aligned. Therefore to ensure Nexus arrangements and Code is aligned we support this modification.

Self-Governance Statement: Please provide your views on the self-governance statement.

Given there are no material impacts to competition of consumers, we support SG criteria.

Implementation: What lead-time do you wish to see prior to implementation and why?

Implementation should be as soon as practical.

Impacts and Costs: What analysis, development and ongoing costs would you face?

No costs are perceived

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.

None

Please provide below any additional analysis or information to support your representation
