Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

ESPUG is supportive of this change, as it facilitates the transition to the new iGTAD arrangements, including changes to services and data transfer arrangements, which must be detailed to ensure a successful transition.

Self-Governance Statement: Please provide your views on the self-governance statement.

ESPUG agree for this modification to be progressed via self-governance.

Implementation: What lead-time do you wish to see prior to implementation and why?

ESPUG believe that the suggested implementation is appropriate as per Workgroup Report.

Impacts and Costs: What analysis, development and ongoing costs would you face?

ESPUG believe that the cost impact would be minimal.

Legal Text: Are you satisfied that the legal will deliver the intent of the Solution?

The legal text will deliver the solution of the modification.

Are there any errors or omissions in this Modification Report that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.

Please provide below any additional analysis or information to support your representation
