#### Do you support or oppose implementation?

Comments only.

#### Please summarise (in one paragraph) the key reason(s) for your support/opposition.

The proposal will promote better AQ and data management which will lead to fairer transportation capacity charging across the industry and more accurate customer invoicing.

#### Are there any new or additional issues that you believe should be recorded in the Modification Report?

No.

#### Relevant Objectives:

*How would implementation of this modification impact the relevant objectives?*

We feel it is in line with the relevant objectives as outlined in the Modification Report.

#### Impacts and Costs:

*What analysis, development and ongoing costs would you face if this modification were implemented?*

No significant cost impact, as we have well established processes for AQ review.
