Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This modification sets out the transition arrangements to facilitate the introduction of Single Service arrangements for iGTs. Npower therefore supports this modification as it provides what is required in code for Nexus delivery.

Self-Governance Statement: Please provide your views on the self-governance statement.

This modification fulfils the self-governance criteria as it does not have a material effect on industry parties and is an administrative change.

Implementation: What lead-time do you wish to see prior to implementation and why?

The modification should be implemented by the NEXUS go live date as it will be necessary to ensure a smooth transition for Single Service Arrangements and the Project Nexus Implementation Date (PNID).

Impacts and Costs: What analysis, development and ongoing costs would you face?

N/A

Legal Text: Are you satisfied that the legal will deliver the intent of the Solution?
