#### Do you support or oppose implementation?

0428 - Support

0428A - Support

#### If either 0428 or 0428A were to be implemented, which would be your preference?

No preference

#### Please summarise (in one paragraph) the key reason(s) for your support/opposition.

National Grid NTS offers support for Modification 0428 or 0428A as we believe that both modifications will resolve the issues identified as well as further the relevant objectives.

#### Are there any new or additional issues that you believe should be recorded in the Modification Report?

None

#### Relevant Objectives:

*How would implementation of this modification impact the relevant objectives?*

We agree that the changes proposed will impact Relevant Objective c) in the sense that any change that introduces greater reflectivity of costs will enable licencee's to discharge their obligations more accurately in this area.

We can also acknowledge that the proposed changes may also have an impact on Relevant Objective d), by reducing cross-subsidisation between market sectors
