Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

National Grid agrees with the proposer that the additional time allowed would enable the CDSP to produce a higher quality product than would otherwise be the case should the prevailing timescales be adhered to.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree that this this modification only seeks to amend the date for delivery of a new and revised UK Link Manual under the DSC and therefore has no material impact on any of the self-governance criteria.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

We agree that this Modification Proposal can be implemented with immediate effect 16 business days after an approval decision by the UNC Modification Panel.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No impacts or costs identified.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

We are satisfied the legal text delivers the intent of the Modification proposal.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No.

Please provide below any additional analysis or information to support your representation

Not applicable.
