Support or oppose implementation?	Support
Relevant Objectives:	c) Positive f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We support this modification because it will allow for efficient discharge of our licence conditions, and ensure cooperation with Ofgem's CGR3 decisions.

Self-Governance Statement: Please provide your views on the self-governance statement.

We agree that this modification should not be subject to self-governance due to the material impact it will have on governance procedures.

Implementation: What lead-time do you wish to see prior to implementation and why?

We agree with the implementation date being immediately after Ofgem's decision.

Impacts and Costs: What analysis, development and ongoing costs would you face?

We do not believe we would incur any additional costs based on this modification

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Yes, we feel that the legal drafting meets the intent of the modification.

Are there any errors or omissions in this Modification Report that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.

Please provide below any additional analysis or information to support your representation
