Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

Npower supports this modification, as we agree that it is better to defer the delivery date of the amendments to the UK Link Manual as required in the UK Link Framework Document to 31st July 2017. We believe that it will be better to get a quality product, even if it's at a later date than something that has been rushed.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

This modification has no material impact, therefore we agree that it should fall under self-governance.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

We are happy with the implementation of this modification being as soon as possible.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

Npower will not incur any impacts or costs as a result of this change.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

We are satisfied that the legal text delivers the intent of this modification.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No
